

Kyöni Origin

Nitro-Powered Plant-Based Shake

The Source Is Everything

Your body is miraculous — Every part working harmoniously to make you who you are. Such an extraordinary natural system needs the support of the best nutrients the earth has to offer. But today's modern diet is filled with processed foods, compounds, and preservatives, all of which are major contributors to many of today's health crises.

So where can you turn for the powerful support that your body needs? The same source for all miraculous life is also the origin of great nutrition: nature.

Kyöni Origin features a perfect balance of nature-based macronutrients, including plant-based proteins, healthy fats, and carbohydrates, to help you maintain a healthy weight, recover from workouts, and live the active life you love! Even more, Origin provides the vital nutrients your body needs to produce nitric oxide, a key signaling molecule that supports circulation and promotes nutrient absorption. This Nitro Effect™ helps your body make the most of Origin's clean, plant-based macronutrients.
